Currently, the site for electronic ANG publications and forms is not available from the Air National Guard Home Page, @ <http://airguard.ang.af.mil>. In mid June, problems were encountered, resulting in a major crash. NGB-SD will reestablish this site with a current-projected operational date before the end of the year. At the time of the crash some files had been lost.

Unfortunately, there is no other site for electronic ANG publications and forms. As an interim measure, units are able to obtain paper copies of ANG pubs, including this monthly bulletin, by reestablishing their account with their local ANG PDO Account Representative. The ANG PDO Account Representative can requisition ANG pubs from NGB-SDP, Camp Keyes, Bldg 34, Augusta, ME 04333-0032, DSN: 476-4212. As a reminder, this ANG web site was an informal site and not the official source for ANG publications and forms; rather, the official source has been and is NGB-SDP, at the above address.

As National Guard electronic forms are approved either in Jetform or Formflow format, they can be downloaded from the Guardnet website. To obtain logon and password information, contact your State DOIM Office. The website address is:

<http://guardnet.ngb.army.mil>

At this time, Army National Guard publications are not available electronically, but we know that work has begun to convert the publications to electronic format. As soon as they become available, we will announce their whereabouts.
